

SUJEET KHADKA

UI/UX Designer | Graphic Designer | Product Design
Kathmandu, Nepal | +977-9867165222 | email@sujeetkhadka.com.np | blog.sujeetkhadka.com.np | github.com/Suj8kafka

PROFESSIONAL SUMMARY

UI/UX designer with end-to-end product design experience, from designing and shipping a live maternity health app to delivering international-grade web assets for overseas clients. Proficient in Figma and Adobe Photoshop, with working knowledge of HTML, CSS, and JavaScript. Comfortable across the full design cycle, including user research, wireframing, high-fidelity prototyping, usability testing, developer handoff, and post-launch review.

CORE SKILLS

Design: Figma, Adobe Photoshop, Wireframing, Prototyping, UI Design Systems, Branding and Identity, Usability Testing, User Research
Development: HTML, CSS, JavaScript, Flowbite, Node.js (basic)
Tools: Figma (advanced), Adobe Photoshop, VS Code, Git/GitHub
Languages: English (fluent), Nepali (native)

PROFESSIONAL EXPERIENCE

- UI/UX Designer | Neptune TechZone Pvt. Ltd. (Aama Cure)

Jan 2026 – July 2026

Kathmandu, Nepal

 - Designed the complete user interface for Aama Cure, a maternity care platform live on Google Play and the App Store, covering fertility, pregnancy tracking, vaccinations, counselling, and postpartum screens.
 - Owned the full design process from user research and wireframes through high-fidelity prototypes, usability testing, developer handoff, and implementation review.
 - Contributed to the aamacure.com website design, maintaining visual and UX consistency with the mobile app.
 - Partnered with cross-functional teams in regular meetings to align design decisions with product goals.
- UI/UX and Graphic Designer (Freelance) | Upwork, webapex.com.au (Australia)

Aug 2026 - Present

 - Delivered high-quality, well-structured web banners and digital assets for an Australian client, meeting international standards for responsive layouts and brand consistency.
- Graphic Designer and UI/UX Designer (Part-time) | KMAG Pvt. Ltd.

Aug 2024 - Oct 2024

Kathmandu, Nepal

 - Collaborated on a UI redesign project in Figma, improving layout consistency across mobile and desktop.
 - Created product-focused digital assets and logo drafts, maintaining brand accuracy using Figma and Adobe Photoshop.
- Graphic Design Intern | Okay Journey Pvt. Ltd.

Sep 2023 - Dec 2023

Kathmandu, Nepal

 - Produced more than 10 promotional graphics and email templates for use across multiple digital marketing campaigns.
 - Coordinated with the content team to align visuals with campaign goals and responsive design standards.

KEY PROJECTS

- Mobile Game UI, 4 Games | Independent / Remote Team

2023 - 2024

Live on Play Store

 - Designed all UI screens and visual assets for four fully published mobile games. Design logs available at blog.sujeetkhadka.com.np.
- Full-Stack Web Application | BSc CSIT Final Year Project

2024

 - Led UI/UX design and frontend build using Figma, HTML, CSS, and Flowbite, with a Node.js (TypeORM) and SQLite backend.

EDUCATION

- BSc, Computer Science and Information Technology | Bhairahawa Multiple Campus

2021 - 2025
- High School (+2 Science) | Everest English Boarding School

2018 - 2020

CERTIFICATIONS

- Foundations of UX Design, Google (Coursera)
- Visual Elements of User Interface Design, CalArts (Coursera)
